WHO WE ARE AND WHAT WE DO

Back Pack Angels (BPA), a 501 (c) 3 nonprofit organization, was started in 2010 by seven volunteers who saw the need to help the homeless/needy children in North Port. In the first year, BPA donated 550 bags of toiletries. BPA has now grown to 100 volunteers and, in 2016, donated 6239 bags of toiletries.

BPA deals strictly with the 10 North Port Schools, 11 North Port Preschools, and 3 Agencies through their guidance counselors and directors. The children we serve qualify for free and reduced lunches through Sarasota County where 63+% of the children in North Port fall.

We rely heavily on our own fundraising and the generous support from individuals and our community. We could not continue to help these needy at-risk children without everyone's support!

MISSION STATEMENT

To provide hygiene products to the homeless/needy children of North Port which will improve self-esteem and enable them to remain in school, clean and well groomed.

VISION STATEMENT
